

## **FROZEN COOKIE DOUGH and CANDLE FUNDRAISER**

We are excited to present QSP's  
**'Tasty Batters Frozen Cookie Dough'** and **'Taylor's Candles'**

This is an entire school-community fundraiser and our hope is to have all NMC students participate and share in the benefits. Proceeds from sales can help fund numerous programs and activities at NMC! Students can choose whether they wish their sales contributions to go towards student-leadership projects, community-based initiatives, school programming, music trips, graduation, or a combination!

**PLUS:** participation also helps to support  **Save the Children** chick donation program for less-developed countries around the world, see: [www.QSP.ca/chickens](http://www.QSP.ca/chickens) 

*We would really appreciate your support of this fundraising event!*

(If you are unable to participate, please RETURN this fundraising information to the school office.  
All student packages must be accounted for as per charity licensing guidelines. Thank you.)

### **COOKIE DOUGH BROCHURE:**

- Out of the freezer, into the oven, and you have fresh baked cookies in a few minutes!
