CULTURAL ENRICHMENT PROGRAM

Spring 2020

A Unique Opportunity to Explore Global Citizenship

Public schools provide meaningful and engaging experiences that foster personal, social and academic growth and prepare students for a bright future. Today, more than ever before, schools must also assist students to appreciate global citizenship and an internal perspective in our increasingly connected world. Cultural enrichment experiences help to develop “citizens of the world,” and the Louis Riel School Division’s Italy Cultural Enrichment Program supports this goal. **Students are required to pay for the flight and insurance only, which will be approximately \$1900.00.**

The Participants

Students in Grade 10 - 12 from each of our high schools are being invited to apply to participate in a cultural enrichment exchange program with Istituto Alberghiero Molfetta in Molfetta, Italy, that will take place in the spring of 2020. Participants selected will have demonstrated leadership potential, a sound character, a passion for learning and enthusiasm for new experiences in their school and community. Selected students must be able to host a student from Italy as part of the exchange.

The School and Its Program

Istituto Alberghiero Molfetta high school is located in south-eastern Italy on the Adriatic Sea. The school is a Grade 7-12 school with an enrollment of just over 2000 students on two separate campuses. The school specializes in preparing students for employment in the restaurant and hospitality industry.

In its international program, LRSD students will have an opportunity to learn about Italian culture and history. A knowledge of Italian is not required but students will be introduced to the foundations of the Italian language. In addition, students will have an opportunity to participate in Italian family life and experience cultural activities with their fellow students and host families.

Students selected will stay in homestays which have been carefully selected by the school administration. All homestay families can speak basic English and many of the teachers at the school are fluent in English. Students will have full access to the school's computer facilities and libraries and receive the necessary instruction to ensure they are part of the student body.

Excursions to local sites, businesses, nearby communities and cultural attractions will complement their experience – students can learn about life in Italy and how the people have adapted to live in southern Italy. Optional travel to Naples and Rome with students and staff from the school will be available at an additional cost.

The Benefits

In addition to learning about the Italian culture, our students will have an opportunity to develop an appreciation for ...

- International culture, traditions, languages and lifestyles

- International interdependence and cooperation
- The importance of diplomacy, its processes, protocols and benefits
- Canada's role in the global community
- Canada's cultural diversity and heritage

The Courses, Credits and Evaluation

This program is designed to enhance student's current educational experience; therefore, they will have the opportunity to earn a 0.5 high school credit during their time in Italy and their involvement in Winnipeg. This credit will be treated as "out-of-country" credit when students complete the exchange. Evaluation of their progress in the program will be at the discretion of the cultural enrichment facilitator who will submit formal written reports once the program is completed.

For a truly authentic writing experience, students will keep a blog and submit a journal at the end of their studies. Participants will be invited to share their experience through presentation to school groups, government agencies, service groups and local media after returning to Winnipeg.

The Application Process

Any student registered in Grades 10 - 12 in a Louis Riel School Division high school (must be a Canadian citizen) may apply. The application should be submitted to the school administration by **September 30, 2019. Applications will be available in the school office.**

An information meeting will be scheduled for all interested students and parents once we determine the number of applicants. In the meantime, if you have specific questions, please contact:
