

COUNCILLOR BRIAN MAYES  
ST VITAL WARD

## **MARK DICKOF MEMORIAL SCHOLARSHIP AWARD**

### **General Background**

The Mark Dickof Memorial Scholarship Award has been established to recognize the important role of mental health leadership and advocacy among youths aged 14 to 18 at the secondary school level in Manitoba, in terms of promoting action, awareness and greater sensitivity to / de-stigmatization of mental health and wellbeing, either within their school, local or provincial communities.

Instituted by Winnipeg City Councillor Brian Mayes, in partnership with the Manitoba School Boards Association and the Canadian Mental Health Association (Manitoba Chapter), the award will be presented annually to a student or team of students in the public education system according to two general categories: urban (Winnipeg) and rural/northern, with each category qualifying for one (1) \$250.00 prize each year.

### **Remembering Mark Dickof**

The namesake of this award, Mark Dickof, speaks to the very different life circumstances that can be lived by two human beings— one of whom is affected by mental health challenges. Born on the very same day as Winnipeg City Councillor Brian Mayes (March 16, 1962) Mark was a fellow student with many of the same interests and qualities that Brian had: the difference being that Mark regrettably developed early signs of schizophrenia as a student.

Mark participated in chess club, played varsity basketball, graduated with an honors degree in English literature, and had hoped to go to Oxford University to do graduate studies. However, after he developed schizophrenia, his functioning, quality of life and ability to achieve his goals slid away. He ultimately took his life at the age of 30.

Throughout Councillor Mayes' own life pathway, going on to himself become a lawyer, school trustee and municipal councillor, Brian never forgot his childhood friend and fellow student. Given their shared date of birth, that life's pathway can be lived so differently by two kids who started out the same way,

stands as a stark reminder of all too often devastating toll taken by mental illness, on those who must live daily with its effects and consequences.

To honour Mark's memory, this award therefore recognizes young people who have demonstrated significant leadership through advocacy for mental health and wellbeing while still in school, so that persons within their community do not have to experience the same pathway as Mark Dickof. In this way, it is the intention of the award to ensure that Mark's life and experience provides a meaningful legacy for future leadership by students across Manitoba.

### **Eligibility**

The award is open to any student or team of students who can demonstrate positive leadership in addressing mental health and wellbeing among their peers through action, raising awareness, and or achieving greater sensitivity to and/or de-stigmatization of mental health and wellbeing.

To qualify, a student or team of students, meeting the age requirements, must complete an essay of no longer than 500 words.
